WOODY'S RACING GEAR BAG

Big enough to store all your outdoor gear but small enough to stow in the back seat or the back of your truck with enough room left for your buddy's stuff. It's made from 100% water-resistant nylon material with tough oversized zippers to protect your gear through miles of rough and wet travels. All high-wear areas are constructed for tough handling. The main cargo area has a wide opening and is flexible to fit all the odd shaped gear you'll need for a weeks worth of hunting, fishing or snowmobiling. Two screen mesh storage areas on each end of the bag are big enough to handle wet, dirty boots and outerwear or secure other items you don't want to pack in the main compartment.

Available in black with orange trim and screen printed Team Woody's logos.
